MEMORANDUM FOR: Chief, [redacted] 25X1A

SUBJECT : Analysis of Dissatisfactions Within CEMA

REFERENCE : [redacted]

25X1A 25X1A

1. Attached is CIA/RR IP-575 (Project 41.1993), prepared in response to your request dated 14 August 1957, reference [redacted]

2. This project is directed toward uncovering and highlighting satellite dissatisfactions within the coordinated economic system. Consequently it is not, in any way, a balanced evaluation of Bloc economic coordination.

3. The general lack of information on the identification of individuals involved in the dissatisfactions precluded treatment of personalities in the attached report.
